PROPOSALS WILL BE SELECTED THROUGH A COMMITTEE REVIEW PROCESS USING THE FOLLOWING CRITERIA:

- Potential to attract and motivate attendees
- Clarity of proposal content and presentation methods
- Potential for practical application to local and area club work
- Relevance to current projects and trends in youth development

PROPOSALS MAY BE SUBMITTED AS ONE OF FOUR TYPES*:

- 90 minute session - hands on learning experiences designed to provide comprehensive coverage of subject matter,
- 45 minute mini-session - introduction or promotional workshop designed to engage learners, but cover less subject matter; mini sessions will be paired in a time slot to allow for consistency in the schedule.
- 2 part session - hands on learning experiences designed to provide comprehensive coverage of subject matter that cannot be covered in one 90 minute session,
- Off site/Educational tour - hands on learning experienced conducted away from the hotel (ex: at a local dairy; food plant; arena; etc.); off site workshops will be allotted two 90 minute sessions to allow for travel.

*Type of session selected does not guarantee nor hinder your workshop being chosen. Please select the type most conducive to your topic area and objectives. This will assist us in planning a quality conference experience for all participants.

All attendees of WRLF are required to pay their own registration fee and travel expenses. A registration form will be available online at nm4h.nmsu.edu. Workshop presenters who are at WRLF only during their workshop and are not participating in any other part of WRLF do not need to register. If not attending the entire conference, day registration, including the meals, breaks, workshops and activities on that day will be available.
