(877) 598-3368 or (303) 256-9300

Johnson & Wales University is a world-class university, where students have an opportunity to pursue a career education in business, hospitality, culinary arts, or technology. Scores of majors and degree programs are offered at the undergraduate, graduate and doctoral level.

Johnson & Wales' five domestic campuses are located in Providence, Rhode Island; Charleston, South Carolina; Norfolk, Virginia; North Miami, Florida; and Denver, Colorado. In addition, J&W students have the opportunity for international study at the Göteborg, Sweden campus.

Unique features include a 4-day school week, the opportunity to earn 2 degrees (associate and baccalaureate) in four years, and hands-on training at University-owned, -operated or partnership facilities or at worldwide co-op sites.

### **Eligibility:**

Scholarship applications will only be accepted from high school seniors who are active 4-H members displaying dedication, spirit, a commitment to excellence in school, as well as his/her 4-H, community service and leadership activities.

For you to be eligible for a scholarship of up to \$20,000 (\$5,000 per year for up to 4 years), make sure you submit your scholarship application by April 1. To apply, contact Johnson and Wales University for an application via the above web address or phone number. The club leader section will need to be completed. High school transcripts should accompany the application.

All information detailed here is derived from the Johnson and Wales University application and the above referenced web-site.
