All Contest Requirements can be found in the 2017 Contest Requirements at: [www.colorado4h.org](http://www.colorado4h.org)
4-H PROJECT RULES

1. Eligibility: Exhibitors in the divisions of this department must be bona fide members of Colorado 4-H whose projects work (must be 4-H members' own work and sources must be cited, plagiarism will not be tolerated) and records are certified and up-to-date and deemed eligible by the appropriate Extension agent. In addition, exhibitors must be at least eight years of age, must not have reached their 19th birthday as of December 31 of the current enrollment year and must satisfy other eligibility requirements (if specified) for a class, to compete in that class.

2. 4-H members may enter only once in the same class.

3. Members must be enrolled in the project (which may be broken down into units, levels or categories) in which they exhibit.

4. Only one exhibit in each class will be accepted from each county.

5. If a member enrolls in two units of the same project (Leathercraft for example: member enrolls in Unit 2 and Unit 3—they must exhibit is the higher level –Unit 3). When a member takes two units at the same time, they should master the skills of the lower unit and therefore exhibit in the higher unit.

6. 4-H e-Records may be completed by pencil, ink or computer. The choice will not affect judging.

7. Display boards must meet the specifications. The standardized display board size of 4ft. x 3ft. is to be used for 4-H projects.

8. Projects are divided by Juniors, Intermediates and Seniors age groups. The age for Juniors is 8-10, Intermediates is 11-13 and Seniors is 14-18.

9. Exhibit entries will be done online. The Extension agent is to enter each exhibit online with a description.

10. Entry labels: Each exhibit and sturdy binder/notebook (containing e-Record and other materials) is to have a label containing the following: county name, exhibitor name, age, department, division, and class. The label needs to be on the upper right hand front outside of the binder/notebook (outside) and on the exhibit (usually the back of the exhibit or on the flap). Be sure to read special instructions on tags for some exhibits, example: leathercraft, clothing, heritage arts, etc. All exhibits must be accompanied by a completed label. For security reasons, do not list the member address on projects.

11. Exhibits are to be entered into the online entries by 5 pm on Monday, August 14. Exhibits are due to state fair on Wednesday, August 16 between 8:00 am and 12noon. Exhibits will be taken down on Tuesday, September 5. We are asking all counties to come and help take down exhibits and then you can pick up your exhibits. Take down will start at 8:00 am and continue until finished. The 4-H building will be closed and locked at 12 noon. Exhibits left after 12 noon will be the responsibility of the county.

12. All Champion, Reserve Champion and placing award exhibits must be displayed and remain on display for the duration of the state fair.

13. Any exhibit released for a special state fair activity during the state fair must be returned for display.

14. The management will not be responsible for loss or damage to exhibits, although it will use all care to ensure their safety.

15. Note: Exhibits of unusual size or shape may not be on public display. Exhibitor cards and ribbons will be displayed in project areas. All other projects will be displayed unless there is a safety, health or space issue.

State Fair Judging/Ribbon Awards

1. Champion and Reserve Champion ribbons shall be awarded only to exhibits that meet all the exhibit requirements and standards. Third through10th-place ribbons will be awarded accordingly to standards and requirements.

2. Grand Champion and Reserve Grand Champion exhibitors will be declared in each project of the 4-H section from designated class champions. In the Junior, Intermediate and Senior divisions, a Grand Champion will be selected from all champions from each age category. The remaining class Champion and Reserve Champion exhibit in the class from which the Grand Champion was chosen will be eligible for Reserve Grand Champion consideration.

3. Those exhibits not meeting requirements and standards will be awarded a state fair qualifier ribbon.

4. Items entered in the wrong classes will not be eligible for a placing ribbon.

5. The American System will be used to rank the 4-H exhibits. This system uses product standards and fulfillment of exhibit requirements to rank exhibits. It also uses the idea of competition among exhibitors to establish ranking.
Display Board Guidelines for State Fair 4-H Exhibits

Display boards are a great way to share information, but when viewers walk by, they spend only 60-90 seconds looking at each display board. Make yours stand out by highlighting the main points of your project in a fun, interesting way.

Follow these guidelines to create a display board for the state fair.

**SHAPE**
Design your exhibit so information fits on the display. Remember, you have 1 large surface, and 2 smaller side wings.

**SPACE**
Your display should only discuss one main topic. This will help it look neat and uncrowded.

**ATTACHMENTS**
When attaching pictures or objects to your board make sure they are secure. Use glue for pictures and paper, and consider wires, zip ties or staples to attach bulkier items. Do not attach items that are so heavy that your board can’t stand or fold.

**TEXT**
Make sure that all the text on your display is easy to read. Use a large font for the title, and smaller fonts for the headings and body text. Text must be readable from 3-5 feet away. Use large bold letters. Dark letters on a light background works best.

**SIZE**
Display boards for the state fair must measure 4 ft. wide x 3 ft. tall. They should be made of lightweight cardboard, but not poster board. Pre-cut boards are available at most craft and shopping centers. No part of your display may extend beyond these boundaries.

**DISPLAY BOOKS**
Your e-record book should accompany your board. You may use 3-ring binders or other notebooks that will keep the pages securely inside. You may not use slider-type binders.

Please place a label with the following information in the upper right-hand corner of the front cover:

Note: For more information on displays and projects: www.colorado4h.org/project_resources/StateFairExhibitReq.pdf - look under Display Hints and Tips and Project Tips.

1. 4-H members can exhibit both as an individual and/or as part of a group. The exhibits need to be different—one exhibit for the individual and a different topic exhibit for the group.
Note: Please read 4-H Project Exhibit Rules on page 2.

Note to all units:
1. Rocket exhibits must relate to the skill level for the unit entered. Units 1-4 should include the color picture of the rocket and skill level title from the rocket-kit package as part of its record book. All project material must be organized and secured in a sturdy binder/notebook. Unit 6 must have a copy of plans or blueprints including instructions “step by step” to build the rocket.

2. Fins must be balsa wood (balsa, and basswood) and finished with paint in classes indicated. **No plastic fins for Units 1-3.**

3. Fins of plastic or other materials must be exhibited in Units 4 and 6.

4. Unit 4 members may build Skill Level 4 and Skill Level 5 rocket kits.

5. Rockets are to be displayed and held **vertically** by a substantial rod or support no taller than the rocket on a stationary base appropriate to the size of the rocket, not to exceed 12” x12” x1” thick. Only the rocket will be judged. Do not decorate the base. No triangular stands can be used for displaying the rocket.

6. Do not include live or expended engines in the rocket exhibited.

7. If rocket is damaged in launching, it can still be judged for quality of construction, e-Record and pictures.

8. Display rockets cannot be used for the Rocket Fly Day competition at State Fair.

9. No launching pads should be used for displaying the rockets.

10. All rockets must be exhibited upright.

11. Launching your rocket is not a requirement. It is a good idea, however, to make 2 rockets—one for exhibit and one to launch if possible.

Note: Please read specific rules for your Unit.

Project Exhibit Rules:

1. Be sure to include the log for the discipline that you are exhibiting.

2. There is one e-Record that contains the inventory sheet and the discipline log records for all the disciplines that are required for this project.

3. Display should illustrate a chosen aspect of skill areas. This is separate from the statewide State Fair Shooting Sports Event listed under Special Events. (The standardized display board size of 4 ft. x 3 ft. is to be used with 4-H projects. No additional items may be included on or in front of display board.) No wooden display cases.

4. Counties may enter only one exhibit per class. Members may have entries in both the display board classes and the stand-alone classes.

5. No live ammo, tips, broadheads (ex: arrowheads), knives, functional or nonfunctional firearms or bows will be allowed as an exhibit.

6. Do not use the word weapon when creating your display. Make sure that there are no safety violations in your display. (Example: no earplugs, no safety glasses on a photo of a youth firing his/her gun.)

7. The display boards topics should stay in close relationship with your discipline. Please do not use topics outside the scope of your 4-H project. (Example: .22 Rifle Project—should not use the topic of different types of military machine guns.)

8. Stand-alone items are items that are made to enhance the discipline, such as a quiver, gun case, gun stand, etc. No display boards are allowed in the Stand-Alone Classes.

9. Because of limited floor space for displaying stand-alone items, there will be a maximum size of 3 feet in width and depth and 7 ft in height. The item must be stable when standing in order to be displayed. If an exhibit is larger than this, a notebook can be used as an exhibit showing how and what was made.

10. For those members who are exhibiting both a display board and a stand-alone, they may copy their e-record. Each exhibit must have an e-record. Be sure to highlight what you are exhibiting in your e-record.

11. No stand-alone items that are an exhibit at the time of the contests will be allowed to be removed from the building to be used at the contests.
Members may have entries in both the display board classes and the stand-alone classes.

**STAND-ALONE CLASSES**
These classes are for stand-alone items only. No display boards are allowed in the Stand-Alone Classes. Please check out rule no. 8. No live ammo, broadheads (ex: arrowheads), knives, functional or nonfunctional firearms or bows will be allowed to be displayed.
