4-H PROJECT RULES

1. Eligibility: Exhibitors in the divisions of this department must be bona fide members of Colorado 4-H whose project work and records are certified and up to date and deemed eligible by the appropriate Extension agent. In addition, exhibitors must be at least eight years of age, must not have reached their 19th birthday as of December 31 of the current enrollment year and must satisfy other eligibility requirements (if specified) for a class, to compete in that class.
2. 4-H members may enter only once in the same class.
3. Members must be enrolled in the project (these projects may be broken down into units, levels or categories) in which they exhibit.
4. Only one exhibit in each class will be accepted from each county.
5. 4-H e-Records may be completed by pencil, ink or computer. The choice will not affect judging.
6. Display boards must meet the specifications. The standardized display board size of 4ft. x 3ft. is to be used for 4-H projects.
7. Projects are divided by Juniors, Intermediates and Seniors age groups. The age for Juniors is 8-10, Intermediates is 11-13 and Seniors is 14-18.
8. Exhibit entries will be done online. The Extension agent is to enter each exhibit online with a description.
9. Entry labels: Each exhibit and sturdy binder/notebook (containing the e-Record and other materials) is to have a label listing the following: county name, county number, exhibitor name and age, department, division, and class. **The label needs to be on the top right hand side of the binder/notebook (outside) and on the exhibit (usually the back of the exhibit).** Be sure to read specific instructions on tags for some exhibits, example: leathercraft, clothing, heritage arts, etc. All exhibits must be accompanied by a completed label. For security reasons, do not list the member address on projects.
10. Exhibits may be entered on **Wednesday, August 18 between 8:00 am to 12 noon. Exhibits will be taken down on Tuesday, September 7. We are asking all counties to come and help take down and pick up your**

exhibits. Take down will start at 9:00 am and continue until finished. The 4-H building will be closed and locked at 12 noon. Exhibits left after 12 noon will be the responsibility of the county.

11. All Champion, Reserve Champion and placing award exhibits must be displayed and remain on display for the duration of the state fair.
12. Any exhibit released for a special state fair activity that has received a placing award must be returned for display.
13. The management will not be responsible for loss or damage to exhibits, though it will use all care to ensure their safety.
14. Note: Exhibits of unusual size or shape may not be on public display. Exhibitor cards and ribbons will be displayed in project areas. All other projects will be displayed unless there is a safety, health or space issue.

State Fair Judging/Ribbon Awards

1. Champion and Reserve Champion ribbons shall be awarded. Third through 10th-place ribbons will be awarded. All exhibits will receive a state fair qualifier ribbon.
2. Grand Champion and Reserve Grand Champion exhibitors will be declared in each project of the 4-H section from designated class champions. In the Junior, Intermediate and Senior divisions, a Grand Champion will be selected from all champions from each age category. The remaining class Champion and Reserve Champion exhibit in the class from which the Grand Champion was chosen will be eligible for Reserve Grand Champion consideration.
3. Exhibits that do not meet exhibit standards and requirements will not be considered for Champion, Reserve Champion or third through 10th-place ribbons.
4. Items entered in the wrong class will not be eligible for a placing ribbon.
5. The American System will be used to rank the 4-H exhibits. This system uses product standards and fulfillment of exhibit requirements to rank exhibits. It also uses the idea of competition among exhibitors to establish ranking.

Display Board Guidelines for State Fair 4-H Exhibits

Display boards are a great way to share information, but when viewers walk by, they spend only 60-90 seconds looking at each one. Make your display board stand out by highlighting the main points of your project in a fun, interesting way.

Follow these guidelines to create a display board for the state fair.

4'

SHAPE

Design your exhibit so information fits on the display. Remember, you have one large surface, and two smaller side wings

SPACE

Your display should only discuss one main topic. This will help it look neat and un-crowded

ATTACHMENTS

Make sure pictures and objects are secure when attaching them to your board. Use glue for pictures and paper, and consider wires, zip ties or staples to attach bulkier items.

Do not attach items that are so heavy that your board can't stand up.

SIZE

Display boards for the state fair must measure 4 ft. wide x 3 ft. tall. They should be made of lightweight cardboard, but not poster board. Pre-cut boards are available at most craft and shopping centers.

No part of your display may extend beyond these boundaries.

TEXT

Make sure that all the text on your display is easy to read. Use a large font for the title, and smaller fonts for the headings and body text. Text must be readable from 3-5 feet away. Use large bold letters. Dark letters on a light background works best.

Plants of Colorado

DISPLAY BOOKS

Your e-record book should accompany your board. You may use 3-ring binders or other notebooks that will keep the pages securely inside.

You may not use slider-type binders.

Please place a label with the following information in the upper right-hand corner of the cover:

County, Name, Project Area, and Class
