As a parent or supporter, I realize that animal projects require a considerable amount of expense and labor. I will support this youth in his/her efforts and allow him/her to learn as much as possible from the experience. The youth is expected to be responsible for labor, care, and management decisions affecting the project. I will help where needed by giving guidance and instruction.

GOALS

It is important to write goals each year. Goals help you learn more about your project and your life. It is also important to think of how you will accomplish your goals. Goals may be personal or project related. Answer the questions below about each of your projects and goals. Use complete sentences for Goals but not Project Plan.

[See Record Book Guide for help on writing SMART goals.](#)

Project Plan	Project:	Project:	Project:	Project:
How many animals will you have?				
What breeds of animals do you plan to have?				
When you choose your animals, what do you look for?				
What will you feed your animals?				
Will you be in a showmanship contest at county fair?				

Goals

What is your goal? What do you want to accomplish in 4-H this year?	
"To Do": What is one thing you can do to help you accomplish your goal?	

Knowing the contact for your local veterinarian is important for all animal owners in case an animal gets sick or hurt.

Name and Phone Number of Veterinarian:
If you are unsure what to do, who can you go to for help about your project(s)?

ANIMAL INVENTORY

At the start of your project, record all the animals you own in START Animal Inventory. If you sell an animal or one dies, record "sold or died" in the third column for that animal. **Any animals you buy should be recorded in Animal Purchase (pg. 6) and NOT in START Animal Inventory. Remember to record any animals you sell in Income (pg. 11).** At the end of your project, record all the animals you still have in END Animal Inventory. Do not leave blank. Record "no animals owned" where applicable. Add more lines/pages as needed.

For first year members, the project START is the first day you enrolled in 4-H. For returning members, the project START is the last day of last year's Record Book or October 1. The project END is the date you turn in your Record

What animals do I own at the START of my project?
