Exhibit Requirements can be found at www.colorado4h.org

Score Sheets can be found at www.colorado4h.org

Display Tips and Hints can be found at www.colorado4h.org

Project Tips:

- Clothing construction garments are evaluated on the construction of the articles/garments/outfits.
- Pattern "**Instruction Sheet**" is required and must be attached securely in the binder/notebook with the e-record. (Three-hole-punch the pattern instruction sheet so that it will easily fit in the binder.)
- In the Beginning Clothing units, be sure to follow the sewing techniques for that specific unit.
- Units 21-28—complete one textile experiment using your garment fashion fabric each year. Include this information in your e-record: completed experiment sheets and sample (s) mounted on 8 ½" x 11" heavy paper. Experiments may be repeated in a subsequent year as long as different fabric is used.
- All garments constructed in clothing units 1-4, 8, and 21-28 are to be made for the member with the exception of Unit 7-Sewing for Others.
- When buying fabric be sure to look at the fabric content, units 1-4 fabric needs to be firmly-woven, medium-weight cotton or at least 50 percent cotton-blend fabric. For the Intermediate units make sure that the fabric you buy is between 50-100 percent of that fabric (example: 75% wool and 25% cotton).
- All garment pieces need to be labeled. Use either a piece of muslin and fabric pen or fabric label and include your name, age, clothing unit and county.
- Have fun with the 4-H story section of e-record. Follow directions and tell what you learned.
- Enter your exhibit in the county fair
- Share the information learned in talks and displays

Judging Criteria:

- Completeness of textile experiments (Units 21-28) and e-record.
- Extra activities such as demonstrations, talks, story, and pictures added to your e-record. Several photos with at least one action shot of the member doing something with their project.
- Neatness and legibility
