Project Tips:

- It is recommended that you start at Unit 1 and work up to Unit 4. The upper units are harder than the lower units.
- Be sure to use the Colorado 4-H Horse Manual to help you answer the questions in each unit.
- Don't be afraid to add extra pages for activities that require more space.
- Look-up information in the library or on websites.
- Ask people (friends and trainers) in the horse industry for assistance in completing the project.
- The 4HCCS horse manuals, available at your extension office, can give you more ideas and answers. The first three are focused on horseless horse activities.
- Take trips and tours.
- Share information learned in talks and displays.
- Enter your project in the county fair.

Judging Criteria:

- Completeness of answers
- Extra activities such as lessons, demonstrations, talks, story, and pictures added to your e-record.
- Neatness and legibility
- How you completed your activities and quality of exhibit.
