Project Tips:

Creative clothing projects are evaluated on creativity, quality of workmanship and design.

Pattern "Instruction Sheet" is required for Unit 5, if one was used, and must be attached securely in the binder with the Artistic Clothing e-record.

An exhibit shall consist of no more than three coordinated pieces for Decorate Your Duds, Creative Sewing and Create Your Own. (No accessory items, i.e., shoes, jewelry, hats, scarves, etc.)

For first year members in Decorate Your Duds, it may be easier to do the stitching process than the painting or gluing process.

All garment pieces must be labeled. Use a piece of muslin and fabric pen or fabric label and include name, age, clothing unit and county.

Buymanship project is for Intermediates and Seniors. Exhibit will be a completed outfit including belts and scarves. No other accessories allowed.

The exhibit needs to be neat, clean and pressed; ready for display.

Have fun with the 4-H story section of the e-record. Follow directions and tell what you learned.

Enter your exhibit in the county fair.

Share the information learned in a demonstration or a display.

Judging Criteria:

Completed Artistic Clothing e-record for Decorate Your Duds, Creative Sewing, and Create Your Own. Completed Buymanship e-record for the Buymanship project.

E-record includes demonstrations, talks, story, and pictures, with at least one action shot of the member doing something with his or her project.

Quality of exhibit.
