Project Tips

- Use the manual only as a resource not as a record
- Provide pictures of other items made during your project on your photo page --Unit 1 & 2 (a minimum of at least 2 photos). These photos are in addition to the photos required in the e-record.
- Provide two or more photos of exhibit showing item in place where it will be used and showing item as a part of the total room plan. These photos are in addition to the photos required in the e-record.
- Provide photos of other items made, refurbished or purchased during your project on your photo page (a minimum of at least 2 photos)--Unit 4 & 6. These photos are in addition to the photos required in the e-record.
- Provide up to three photos showing exhibit item(s) in use (Unit 4). These photos are in addition to the photos required in the e-record.
- Provide up to four photos showing exhibit item(s) in use (Unit 5). These photos are in addition to the photos required in the e-record.
- Include a brief description of the room scheme (design) on a separate page and include it in your record (Unit 4).
- Include a brief Description of the window treatment or bed covering you made or purchased and how it fits into the design of your room on a separate page and include it in your record.
- Attach a picture showing the original piece, one during the refinishing or refurbishing process, and one of the completed piece. These photos are in addition to the photos required in the e-record.
- Have fun with the 4-H story. Follow directions and tell what you learned.
- Enter your exhibit in the county fair.
- Share the information learned in talks and displays

Judging Criteria:

- Completeness of the e-record related to your project.
- Include in your e-record, demonstrations, talks, story and pictures with at least one action shot of you working on your project.
- Neatness and legibility
- Community service project -related to your project if possible
- Quality of exhibit.
