### Project Tips:

- It is recommended that you start at Unit 1 and work up to Unit 4. The upper units are harder than the lower units.
- Be sure to use the Colorado 4-H Horse Manual to help you answer the questions for each unit.
- Don't be afraid to add extra pages for activities that require more space.
- Look up information at the library or on the internet.
- Ask people (friends and trainers) in the horse industry for assistance in completing the project.
- The 4H CCS Horse Manuals are available through the 4-H Mall and can be used as an extra resource for this project.
- Take trips and tours.
- Enter your project in the county fair.
- Share information learned in talks and displays.

### Judging Criteria:

- Completeness of answers.
- E-record includes demonstrations, talks, story, and pictures, with at least one action shot of you working on your project.
- Neatness and legibility.
