

## READY FOR ANOTHER 100 YEARS!

The 2010 Fall Forum Planning Committee invites you to submit a proposal to present a workshop at this event on Saturday, October 9, 2010.

In order to offer a wide variety of workshops to meet the needs of 4-H Leaders across Colorado and better equip them to work with 4-H youth, we are seeking offerings on project updates, volunteer skill building, understanding youth, program management, science/engineering and technology, and 21st century challenges!

Proposals must be submitted by August 13, 2010.
