To: WRLF 2008 Workshop Proposals

From: _____
Donna R. Gillespie, WRLF Workshop Committee Chair

Thank you for submitting a workshop for the Western Region Leaders Forum planned for Boise in March of 2008. We received over 90 workshop proposals and unfortunately we don't have the time or space for them all. Your proposal, *Raise Your Awareness Lower Your Risks* was not accepted. If you submitted other proposals you will be hearing very soon about when they are scheduled.

Thank you very much for your interest. See you in Boise next spring!
